

Lebenshilfe OÖ – We support people.

Lebenshilfe OÖ is a social organization. We support people with intellectual disabilities and their families.

We are there when someone needs help – every day

Lebenshilfe OÖ supports people:

-  with housing (e.g., in residential homes or in their own apartments)
-  at work (e.g., in workshops or companies)
-  in their free time (excursions, sports, creative activities)
-  in everyday life (listening, helping accompanying)
-  in learning and development (e.g., in kindergartens)

For example: social care workers, educators, nurses, social workers, career changers, and interns.

Work close to where you live

- Lebenshilfe OÖ is available throughout Upper Austria
- Early intervention, kindergartens, after-school care, workshops, residential homes

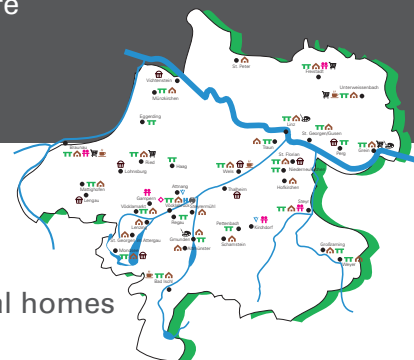

Or: contact the management at one of our locations directly, come by and get to know us, try it out, or do an internship.

We look at the person first, then at their education

The people who work at Lebenshilfe OÖ:

- enjoy working with other people
- want to do meaningful work
- have patience and a big heart
- want a secure job with a future

We look forward to hearing from you!
